

BOARD OF SUPERVISORS MEETING

June 2, 2026

The regular meeting of the Campbell County Board of Supervisors was held on the 2nd day of June 2026 in the Board of Supervisors meeting room of the Walter J. Haberer Building, Rustburg, Virginia. The members present were:

Tom K. Lawton, Chairman, Presiding	Altavista Election District
Kenneth R. Brown	Spring Hill Election District
Justin A. Carwile	Timberlake Election District
Matt W. Cline	Concord Election District
Paul E. Dowdy	Sunburst Election District
Jon R. Hardie	Rustburg Election District
Charlie A. Watts II	Brookneal Election District

Also present were:

Frank J. Rogers, County Administrator
Clifton M. Tweedy, Deputy County Administrator
F. E. "Tripp" Isenhour, III, County Attorney
Catherine H. Moore, Clerk

Chairman Lawton called the meeting to order at 6:00 p.m. Following the Pledge of Allegiance, a moment of silence was observed.

// APPROVAL OF MINUTES

On motion of Supervisor Cline, it was resolved the Board of Supervisors dispenses with the reading and approves the minutes of the March 24, 2026 budget public hearing, April 7, 2026 regular meeting and the April 21, 2026 work session as presented.

The vote was: Aye: Brown, Carwile, Cline, Dowdy, Hardie, Lawton, Watts
Nay: None
Absent: None

// PUBLIC COMMENT PERIOD

The Board of Supervisors provides the opportunity for general public comment at a public meeting at least once per quarter, pursuant to Virginia Code Section 15.2-1416. The Board invites any citizen who would like to address the Board to come forward and speak on any topic of concern. Speakers were asked to limit their remarks to three (3) minutes.

James Evans, 501 Westview Circle, Concord, spoke to the new laws banning certain commonly owned firearms and restricting carry in certain areas effective July 1st. Many in Campbell County believed the laws were a clear violation of Second Amendment rights. He encouraged the County's Commonwealth's Attorney to follow the precedent of the

Commonwealth's Attorneys in at least ten other counties who had stated they would not prosecute cases under this ban as it conflicts with previous Supreme Court decisions and the Virginia Constitution. Mr. Evans asked the Board to send a letter to Paul McAndrews requesting he take the same position.

// HIGHWAY MATTERS

Each month staff provides a report to update the Board on the status of previously identified highway issues. Time was also scheduled to receive any new highway matters or concerns. Robert Brown, Residency Administrator, VDOT was present.

Mr. Brown reported on a number of highway matters:

- the brush has been cleared at the intersection of Lynch Mill Road and Dearing Ford Road;
- the pavement at 1400 Dearborn Road and Theta Mill Road has been worked on;
- the potholes on Peerman School Road have been filled;
- paving for Bedford Avenue (to 7th Street) was scheduled for mid to late June;
- Some tree trimming has been done at Crews Shop and Doss Road, but some more may be needed;
- VDOT has made signage adjustments on Riverbend Road to alert tractor trailer drivers of clearance limitations, and Mr. Brown was hopeful that this would be helpful;
- Progress has been made to install 25 mph signage on Route 615 near Rustburg High School;
- VDOT has been working on pavement patching and replacing deteriorating pipes in several areas across the County;
- Mowing along the four-lane highways would start the following week followed by mowing along the secondary roadways.

From the Board

- Supervisor Dowdy reported that gravel has dropped several inches in two areas on Sunburst Hills Road where a pipe was replaced;
- In answer to a question by Supervisor Cline regarding the vegetation work on Doss Road, Mr. Brown indicated it should be done by the end of June;
- Chairman Lawton discussed areas on Johnson Mountain Road that needed leveling. Mr. Brown indicated a motor grader would be used to level those areas. Those areas would later be paved with asphalt.

// LAUNCH OF NEW COUNTY BRAND

Sherry Harding, Director of Public and Employee Relations, was pleased to present the County's new brand that included the tag line, *Tradition Meets Tomorrow*. The idea for highlighting the County was initiated by the Board at its retreat in 2024. Later a branding initiative was recommended in the 2025 Comprehensive Economic Development Strategy (CEDS) to unify local government, businesses and community culture under a single, cohesive concept.

The Economic Development Department was instrumental in the process by using allocated funding from the County's Gateway Signage Program to procure the marketing firm Black Dog, LLC, to guide the organization through a rebranding process. Internal committees, departmental leaders, residents, businesses, students and community groups provided input on the values and qualities that uniquely distinguish Campbell County and reflect its core identity. After months of collaboration, the teams coalesced around the theme and imagery of *Tradition Meets Tomorrow*, symbolized by the County's iconic Historic Courthouse cupola. This part of Phase 1 was fully funded. The priorities for Phases 2 and 3 would be addressed through future budget considerations.

A unified consistent brand was more visible and marketable toward attracting business, tourism and new employment candidates. It also fostered a shared connection and pride in Campbell County for employees, residents and businesses. The new branding materials would begin June 3rd and would continue to roll out over the summer across online platforms, directional and gateway signage and departmental printed materials. The public kickoff would be held on July 25th at the Library/CEQL Summer Reading Finale Street Fair.

// PERMISSION TO ADVERTISE – SPRING CODE UPDATE

County Attorney Isenhour reviewed numerous amendments to the County Code, many of which were related to zoning, that would become effective July 1st. Others were discretionary changes requested by staff to clarify certain aspects of the Code. Some of the amendments highlighted included:

- Rounding procedures for certain cash transactions as the penny coin was phased out.
- Use of a County-issued badge with Photo ID for door-to-door vendors (discretionary).
- Several changes related to solar including setbacks, portable solar generation devices, battery storage, and livestock grazing with solar.
- Zoning changes related to where manufactured housing would be allowed and the requirement to establish a zone for manufactured homes on small lots (public utilities would be necessary), and amendments regarding wireless facilities.
- Clarification of a temporary structure related to a construction project.

There were a number of questions from the Board to understand the proposed amendments, and the County Attorney was asked to provide as much detail as possible in the advertisement so citizens could also understand the changes. Following the discussion, a motion was made to authorize a public hearing for the July 21st meeting.

On motion of Supervisor Watts, it was resolved the Board of Supervisors authorizes staff to advertise proposed amendments to the County Code for a public hearing at the July 21, 2026 meeting.

The vote was: Aye: Brown, Carwile, Cline, Dowdy, Hardie, Lawton, Watts
Nay: None
Absent: None

// PUBLIC HEARING – SPECIAL USE PERMIT AT 16021 LEESVILLE ROAD

PL-26-055 Request by Lauren Zealand of Onward Christian Academy, agent for Liberis, LLC, for a special use permit for the property located at 16021 Leesville Road and further identified a tax map parcel 31-A-26B to allow for a private school serving grades PreK-12. The property is located in an area designated as transitional pr the current Comprehensive Plan.

Kate Reusch, Planner, reviewed the staff report indicating the applicant was seeking a special use permit to allow for a private school serving grades PreK-12. An auto body shop was currently located on the property. If approved, a boundary line adjustment would be completed to change the automobile establishment onto its own parcel and to add additional acreage to the subject site. Onward Christian Academy was a hybrid private school/homeschool facility. The plan was to construct 5-6 buildings to serve two groups of 250 students with one group arriving on Mondays and Wednesdays, and the second group arriving on Tuesdays and Thursdays.

The property was located in the Spring Hill Election District, and the request was generally consistent with the Comprehensive Plan. The area was mixed use in nature, and the zoning in the vicinity was A-1 (Agricultural). The parcel would be accessed by one proposed entrance on Leesville Road (Route 682) and would be served by public water and a private septic system. The Planning Commission recommended approval of the request with the condition the applicant utilizes the site in conformance with the use described in the narrative submitted with the request.

Bob Weaver, 2417 Bellevue Road, Forest, was representing Onward Christian Academy, a non-profit Christian organization serving families throughout Campbell County and the surrounding region. Their mission was to provide a strong academic foundation in a Christ-centered environment. They had seen remarkable growth over the past several years and were requesting a special use permit to establish a permanent educational facility on approximately 33.6 acres on Leesville Road. The vision was to create a beautiful campus to serve children and families that honored the character and rural nature of the surrounding community. They would design the site in conformance with all VDOT and stormwater regulations to protect neighboring properties and waterways while preserving tree lines and natural buffers.

Chairman Lawton opened the public hearing at 7:08 p.m. and called for comments in favor of or in opposition to the proposed special use permit. No one spoke in favor of or in opposition to the permit request. The public hearing was closed at 7:09 p.m.

On motion of Supervisor Brown, it was resolved the Board of Supervisors accepts the recommendation of the Planning Commission and **APPROVES** Request #PL-26-055 by Lauren Zealand of Onward Christian Academy, agent for Liberis, LLC, for a special use permit for the property located at 16021 Leesville Road and further identified as tax map parcel 31-A-26B to allow for a private school serving grades PreK – 12 with the condition the applicant utilizes the site in conformance with the use described in the narrative submitted with the request.

The vote was: Aye: Brown, Carwile, Cline, Dowdy, Hardie, Lawton, Watts
Nay: None

Absent: None

// PUBLIC HEARING – REZONING REQUEST ON E. OVERBROOK ROAD

PL-26-064 Request by Jonathan Bobby of Greenview LLC, to rezone the property located at E. Overbrook Road and further identified as tax map parcel 21G-2-B-25 from Residential Single-Family to Residential Multi-Family in order to construct a quadplex. The property is located in an area designated as medium to high density residential per the current Comprehensive Plan.

Kate Reusch, Planner, explained this request was to rezone the parcel containing 0.740 ± acres from Residential – Single Family to Residential – Multi Family to construct a quadplex. The property would be used as a rental, and tenants would be limited to age 55 and older. The units would be constructed to ADA standards. The request was generally consistent with the Comprehensive Plan.

The area was residential in nature, and the zoning in the vicinity was Residential – Single Family and the City of Lynchburg. The property would be served by a driveway from E. Overbrook Road with public water and a private septic. No proffers were submitted with the request. The Planning Commission recommended approval of the request by a vote of 5-0.

Jonathan Bobby, 122 Stonegate Lane, Concord, was the applicant and requested a rezoning change for the subject property. He along with a business partner currently operate two hospice homes, one of which was adjacent to the property they just acquired. The need for housing units for older individuals was growing, especially for those that had lost a spouse/caregiver and needed medical attention. Mr. Bobby was planning to build two-bedroom units with a common area to serve individuals with mobility challenges.

Sharon McCormick, the second business partner, indicated the hospice home was located at 1501 Greenview Drive. She and Mr. Bobby saw a need for housing of individuals who were not being well cared for in large facilities. They provide one caregiver for every three (3) people. Ms. McCormick added they had received very good reviews for the quality care. The beauty of the quadplex was to provide housing for four individuals who were not ready to move into a room, but wanted to continue cooking light meals, garden or drive a car. The renters would still have access to medical assistance across the street. It is a private pay model.

Chairman Lawton opened the public hearing at 7:17 p.m. No one spoke in favor of or in opposition to the rezoning request. The public hearing was closed at 7:17 p.m.

On motion of Supervisor Brown, it was resolved the Board of Supervisors accepts the recommendation of the Planning Commission and **APPROVES** Request PL-26-064 by Jonathan Bobby of Greenview LLC, to rezone the property located at E. Overbrook Road and further identified as tax map parcel 21G-2-B-25 from Residential Single-Family to Residential Multi-Family in order to construct a quadplex.

The vote was: Aye: Brown, Carwile, Cline, Dowdy, Hardie, Lawton, Watts

Nay: None
Absent: None

// PUBLIC HEARING – CODE AMENDMENT TO INCREASE TRANSIENT
OCCUPANCY TAX

The Board of Supervisors at its May 5, 2026 meeting held a public hearing to obtain public input on the question of how to attract travelers to the locality and generate tourism revenues in the locality. Following that hearing, the Board authorized staff to advertise a public hearing to amend the Transient Occupancy Tax rate levied in County Code Section 9-19 from two percent (2%) to seven percent (7%) and to create a new section 9-25, Marketing of Tourism or Initiatives that Increase Occupancy at Lodging Facilities. This new section provides that the Transient Occupancy Tax in excess of two percent, but not exceeding five percent shall be designated and spent solely for tourism and travel, marketing of tourism or initiatives.

Chairman Lawton opened the public hearing at 7:20 p.m.

David Francis, 15001 Wards Road, Lynchburg, spoke on behalf of Daly Seven, a group of hoteliers in Campbell County. He owned the Comfort Inn and Suites near the Lynchburg Airport. The hoteliers in the County were not in favor of increasing the transient occupancy tax from 2% to 7% indicating it would be a 350% increase. The City of Lynchburg currently had a 5.5% tax + \$1.00. It was a strategic advantage for the hoteliers to have a 2% tax in order to be competitive in the area. In fact, he chose Campbell County to build another hotel due to the tax rate. Mr. Francis added he pays \$10,000 a year in business license taxes, \$14,000 in furniture and fixtures tax, and over \$50,000 in real estate taxes. He asked the Board not to tax their customers any more as it would hurt the hoteliers.

Hearing no other comments, the public hearing was closed at 7:24 p.m.

Supervisor Carwile requested an update on the plan for the additional transient occupancy taxes. Administrator Rogers indicated the first 2% was budgeted as general fund revenue for ongoing operations. The next 3%, 4% and 5% would have to be directed to activities that would increase the number of overnight stays in the community. A Tourism Fund would be established to strategically deploy the funds as concepts, needs and sponsorships develop. The remaining 2% was initially contemplated for needs around parks and recreation which led to the discussion to increase the transient occupancy taxes. The Board's adopted CIP had \$385,000 for parks which was approximately equal to 2% in transient occupancy taxes. The adopted budget included nearly \$1.4 million in revenue from transient occupancy taxes based on a 7% rate.

On motion of Supervisor Dowdy, it was **ORDAINED** the Board of Supervisors adopts amendments to Chapter 9 of the Campbell County of 1988 pursuant to Va. Code Ann. §15.2-1427 to amend the Transient Occupancy Tax rate levied in County Code Section 9-19 from two percent (2%) to seven percent (7%) and adds a new section designated as County Code Section 9-25, Marketing of Tourism or Initiatives That Increase Occupancy at Lodging Facilities, which new section provides that the Transient Occupancy Tax in excess of two percent but not exceeding five percent shall be designated and spent solely for tourism and travel, marketing of tourism or

initiatives that increase occupancy at lodging properties and generate tourism revenues in the County.

The vote was: Aye: Brown, Cline, Dowdy, Hardie, Lawton, Watts
Nay: Carwile
Absent: None

// STATE MANDATED BONUS FOR FULL-TIME EMPLOYEES

Paul Harvey, Assistant County Administrator, presented information from the Compensation Board confirming General Assembly approval of a two (2) percent bonus for state-funded employees. The bonus was based on the approved salary for each position as of June 1, 2026 and must be paid by localities by September 30, 2026. The mandated bonus payment applies to all Compensation Board-funded positions within local Constitutional Offices, and it also applies to employees of the local Social Services Board, Community Services Board, Health Department, Electoral Board (Registrar) and various court services and regional jail entities. When the State has mandated bonus payments in the past, Campbell County has traditionally paid bonuses to all full-time employees in the interest of equity within departments and to support the morale of our workforce.

The County has 169 employees fully or partially funded by the State and subject to the bonus payment mandate. There were 191 employees who were locally funded. The total cost of a bonus for all 360 positions was approximately \$455,283, with the State reimbursement approximately \$169,667, leaving a net cost to the County of \$285,616, if approved. The estimates were based on the current positions and payroll; however, the final cost would be determined by actual positions filled and the salaries on June 1st. The Code of Virginia requires monetary bonuses paid to employees by local governing bodies to be authorized by ordinance following a public hearing.

On motion of Supervisor Cline, it was resolved the Board of Supervisors authorizes staff to advertise a public hearing to receive public comment on an uncodified ordinance approving a one-time bonus for all full-time employees equal to two (2) percent of their June 1, 2026 salary for the July 21, 2026 Board of Supervisors meeting.

The vote was: Aye: Brown, Carwile, Cline, Dowdy, Hardie, Lawton, Watts
Nay: None
Absent: None

// CONSENT AGENDA

On motion of Supervisor Carwile, it was resolved the Board of Supervisors approves the following under the Consent Agenda:

a) Appropriations –

1. Solid Waste Fund, Landfill Phase III, deleting \$22,710.79 from Landfill Phase III, A & E Services, and deleting from LF Phase II Gas/Water Remediation, \$1,351.80 from A & E Services, \$11,712.25 from Consulting – Groundwater O & M, \$7,761 from Consulting – Landfill Gas, \$13,500 from GRW Remediation System Upgrade and \$13,500 from Groundwater Disposal, and appropriating the total of \$70,535.84 to Recycling/Litter Commission, Recycling Costs, to offset remaining three months in FY 2026 of recycling costs;
2. Solid Waste Fund, LF Phase II Gas/Water Remediation, appropriating \$22,774 to Maint/Repair – Other Equipment, and decreases Beginning Fund Balance by \$22,774, for replacement of two submersible pumps and re-wiring of control panel for the old Landfill main leachate pump system;
3. General Fund, E-911 System, appropriating \$65 to Maint/Repair – Communications Equip, and increases VITA Educational Grant revenue by \$65, grant funds for costs associated with E911 Phone Replacement;
4. Capital Improvement Fund, Public Safety, appropriating \$10,744.32 to EMS Apparatus/Facility Replace Prog, and increases 4 for Life – EMS Vehicles Purchase revenue, by \$10,744.32, funds to use toward future vehicle or equipment purchases;
5. General Fund, Sheriff's Department, appropriating \$1,200 to Animal Care Supplies, and increases Gifts & Donations – Sheriff's Office revenue by \$1,200, funds received as a donation for the K9 program;
6. General Fund, Sheriff's Department, appropriating \$3,833.35 to J. Saunders Memorial and \$1,559.44 to Project Lifesaver Supplies, and increases Gifts & Donations – Sheriff's Office revenue by \$5,392.79, funds received from Jason Saunders Memorial Car Show as donations;
7. General Fund, Sheriff's Department, appropriating \$2,779.84 to Virginia State Police – Heat Equipment, and increases Virginia State Police – Heat Equipment revenue, by \$2,779.84, the Virginia State Police Heat Grant awarded to the Sheriff's Department for a Deputy to attend a Vehicle Crimes conference in Florida;
8. General Fund, Sheriff's Department, appropriating \$869.44 to Special Investigation Fees, and increases Special Investigations Restitution revenue by \$869.44, restitution fees received defendants in Circuit Court;
9. Capital Improvement Fund, Sheriff's Department, appropriating \$6,696.68 to Vehicles & Equipment, and increases Sale of Salvage & Surplus Property revenue, by \$6,696.68, funds from selling Sheriff's Office outdated vehicle parts on GovDeals to be used to replace equipment;
10. Capital Improvement Fund, Sheriff's Department, appropriating \$18,640.82 to Vehicles & Equipment, and increases Insurance Recoveries revenue by \$18,640.82, to purchase

replacement vehicle equipment using funds received from insurance companies from fleet automobile accidents that occurred;

b) County Attorney invoice –

Approves payment to the County Attorney in the amount of \$15,909.88 for services rendered from April 22, 2026 through May 20, 2026.

c) Resolution for Support of the Central Virginia Safety Action Plan – Safe Streets for All

The Central Virginia Planning District Commission (CVPDC) received a US DOT Safe Streets for All grant to advance a collaborative, regional approach to improve safety along the region's roadways, with special emphasis on reducing fatal and serious accidents. By adopting the resolution, Campbell County would support the goal to improve safety along its roadways and the goal to reduce serious and fatal accidents by 50% by 2045. There was no penalty by VDOT or federal transportation for not meeting safety goals.

CENTRAL VIRGINIA SAFETY ACTION PLAN – SAFE STREETS FOR ALL

WHEREAS, Campbell County supports improving safety for all users along its roadways; and

WHEREAS, there were 71 fatalities and 320 people were seriously injured in crashes that took place in Campbell County between 2018 and 2023; and

WHEREAS, 220 people were killed and 1,680 people were seriously injured in crashes in our Central Virginia planning region between 2018 and 2023; and

WHEREAS, reducing or eliminating roadway fatalities and serious injuries requires a collaborative approach that recognizes humans make mistakes, that death and serious injury along the region's roadways is unacceptable, and that taking proactive measures to advance safety can have positive impacts on increasing safety; and

WHEREAS, the U. S. Department of Transportation has the Safe Streets and Roads for All (SS4A) program; and

WHEREAS, the Virginia Strategic Highway Safety Plan (SHSP) sets a vision of zero deaths and serious injuries and a goal to reduce roadway fatalities and serious injuries by half by 2045; and

WHEREAS, the *Central Virginia Safety Action Plan – Safe Streets for All* was developed through a comprehensive stakeholder participation and data-driven evaluation to advance programs and projects to improve safety along the region's roadways for all users, and

WHEREAS, the Central Virginia Planning District Commission (CVPDC) and the Central Virginia Transportation Planning Organization (CVTPO) on November 20, 2025 adopted the regional safety plan and the goal to reduce serious and fatal accidents by fifty (50) percent by 2045.

NOW THEREFORE, BE IT RESOLVED that Campbell County does hereby adopt the *Central Virginia Safety Action Plan – Safe Streets for All* and supports the goal to reduce roadway fatalities and serious injuries along our region's roadways by fifty (50) percent by 2045.

d) Resolution for Support of Smart Scale Applications

Resolution was presented to apply for funding through the Smart Scale application process.

RESOLUTION OF SUPPORT FOR PROJECT APPLICATIONS SUBMITTED FOR
SMART SCALE FUNDING FOR PROJECTS WITHIN CAMPBELL COUNTY

WHEREAS, the SMART SCALE program directs the Commonwealth Transportation Board (CTB) to develop and use a prioritization process to select transportation projects to be funded for both urban and rural communities throughout the Commonwealth; and

WHEREAS, through the SMART SCALE process, projects submitted by eligible entities will be evaluated and scored based on predetermined evaluation measures; and

WHEREAS, in review of the scored project list, and considering other information submitted to the CTB on each project, the CTB will be better informed in their funding decisions regarding projects to be included in the Six-Year Improvement Program (SYIP); and

WHEREAS, each project application must meet an identified need to be eligible for the SMART SCALE process; and

WHEREAS, this resolution serves to meet the aforementioned requirement for projects listed in Exhibit 1 and submitted by an eligible entity.

NOW THEREFORE, BE IT RESOLVED that the Campbell County Board of Supervisors does hereby support projects described in Exhibit 1 for submission to the SMART SCALE project evaluation process.

The vote was: Aye: Brown, Carwile, Cline, Dowdy, Hardie, Lawton, Watts
Nay: None
Absent: None

// APPOINTMENTS

Several appointments were made at this meeting.

Building Code Board of Appeals
Board of Fire Prevention Code Appeals

On motion of Supervisor Dowdy, it was resolved the Board of Supervisors reappoints Matt Holley, 250 Training Center Road, Lynchburg, Virginia, to a five-year term until May 5, 2031 on the Building Code Board of Appeals/Board of Fire Prevention Code Appeals.

The vote was: Aye: Brown, Carwile, Cline, Dowdy, Hardie, Lawton, Watts
Nay: None
Absent: None

Region 2000 Services Authority

A resolution was presented to appoint the members of the Region 2000 Services Authority.

On motion of Chairman Lawton, it was resolved the Board of Supervisors adopts the following resolution:

WHEREAS, the Region 2000 Services Authority was created by the Boards of Supervisors of Campbell County and Nelson County and the City Councils of Lynchburg and Bedford in 2007 to provide regional solid waste disposal services to the four jurisdictions; and

WHEREAS, Appomattox County subsequently became a member of the Authority; and

WHEREAS, the Articles of Incorporation creating the Authority indicated that the initial members of the Authority Board be appointed for a term ending June 30, 2010, and that thereafter members would be appointed for four-year terms.

NOW THEREFORE, BE IT RESOLVED by the Board of Supervisors of Campbell County that Frank J. Rogers IV is hereby appointed as the member of the board of the Region 2000 Services Authority for a term beginning July 1, 2026, and expiring June 30, 2030, and that Paul E. Harvey is appointed as an alternate for the same term.

The vote was: Aye: Brown, Carwile, Cline, Dowdy, Hardie, Lawton, Watts
Nay: None
Absent: None

// MATTERS FROM THE BOARD

National Center for Healthy Veterans

Supervisor Cline brought to the Board's attention that State funding for the National Center for Healthy Veterans (NCHV) in the amount of \$300,000 for each year of the biennium was eliminated from the State budget. The reason given was the State did not fund religious affiliated organizations. Supervisor Cline commented they were not a religious organization, but they did have a faith-based component. He asked the Board's support to send a letter to Governor Spanberger and legislators to consider reinstating the funding that was vital to NCHV to support the nation's veterans.

On motion of Supervisor Cline, it was resolved the Board of Supervisors directs staff to forward a letter to Governor Abigail Spanberger and key legislators requesting the General Assembly to consider reinstating funding for the National Center for Health Veterans to support the needs of our nation's veterans.

The vote was: Aye: Brown, Carwile, Cline, Dowdy, Hardie, Lawton, Watts
Nay: None
Absent: None

Yellow Branch Elementary School Field Day

Supervisor Brown had the opportunity to attend Field Day at Yellow Branch Elementary School last week, and he congratulated the school for this excellent event. The staff went over and beyond to create fun while providing an excellent education.

Convenience Center Marketplace Shed

Chairman Lawton requested information on how citizens might establish a marketplace shed in the Altavista area like the one at the Concord Convenience Center. A shed was created at the Concord site where people could donate items, and others could “shop”. Administrator Rogers commented on the challenges experienced at the Concord Shed. He indicated he would bring back a potential outline for establishing a new shed with recommendations on how this may be more successful without hindering operations at the convenience centers.

School Enrollment Data

Chairman Lawton initiated a discussion on school enrollment data recently shared that showed a drop in enrollment and questioned if there was anything the Board could do to change that trajectory. Administrator Rogers encouraged the Board members to talk with their School Board representatives. This may be a good topic for a joint meeting with the School Board.

Site for New Animal Shelter

In answer to a question by Supervisor Watts, Mr. Tweedy would be attending the School Board meeting on June 8th to provide additional details on the Animal Shelter project and request approval from the School Board to transfer the land for the shelter.

Letter to Campbell County Commonwealth’s Attorney Paul McAndrews

Supervisor Carwile asked for the Board’s support to forward a letter to Paul McAndrews to state a position on whether his office would decline to prosecute otherwise law-abiding citizens solely for violations arising from the newly adopted firearms restrictions.

On motion of Supervisor Carwile, it was resolved the Board of Supervisors authorizes staff to forward a letter to Paul McAndrews, Campbell County Commonwealth’s Attorney, to state a position on whether his office would prosecute citizens for violations arising from the newly adopted firearms restrictions.

The vote was: Aye: Brown, Carwile, Cline, Dowdy, Hardie, Lawton, Watts
Nay: None
Absent: None

Comments from Supervisor Hardie

- Supervisor Hardie congratulated all the 2026 graduates from Campbell County’s High Schools. He hoped they would all remain local and work local.
- The Jeannie Isaacs Community Care Center was located on the campus of Hyland Heights Baptist Church and offers counseling services. A new building would be built on the site. Supervisor Hardie would like the information regarding the services shared with County staff and share with those in need. Administrator Rogers confirmed that staff was sharing the information.

- Supervisor Hardie would like to meet with Brian Stokes, Director of Public Works, to discuss several items including retention ponds.
- Supervisor Hardie has received negative feedback regarding the Valley Link Transmission Line. He realized some counties had passed resolutions in opposition to the transmission line. He believed the Board should have a future discussion concerning this project.

// CLOSED MEETING

On motion of Supervisor Carwile, it was resolved the Board of Supervisors enters into a closed meeting at 7:56 p.m. to discuss matters related to personnel, in accordance with the personnel exemption §2.2-3711 (A)(1) of the Code of Virginia, as amended.

The vote was: Aye: Brown, Carwile, Cline, Dowdy, Hardie, Lawton, Watts
