Mr. Bevilacqua clarified that the deck is attached to an addition that was previously permitted by the board by Variance and Special Permit in 2004 (See Book 44517, Page 204). The following plan of record was the basis of the discussion:

- “Proposed Deck Plan, 111 Mechanic Street, Holliston, MA”, prepared by TRUAX Engineering Group, dated January 23, 2026.

Members clarified that the requested relief from the 15’ side yard setback is 11.5’, that is, construction is proposed to within 4.5’ of lot line (left side of the lot from Mechanic Street). The Chairman asked Mr. Bevilacqua to confirm that the hardship is caused by the existing construction and the placement of the structure on the lot. Zoning district changes enacted by the Town in 2017 changed the side yard setback from 20’ in the Residential (R-1) zone to 15’ in the Village Residential district.
